Bro. Steve Winter has again been censored and blocked from posting to Facebook by Facebook on behalf of detractors. See facebookcensorship.com

Facebook engages in very discriminatory harassment and censorship. Their standards are a selectively enforced joke. They allow derogatory posting and harassment against me with impunity.

Consumer's Desired Resolution:

Public apology and removal of block and preventing of further blocks. Notification of lawsuits against Facebook where I might apply as a party due to similarity. Significant financial recompense to compensate for a history of harassment much of which is documented at <http://www.facebookcensorship.com>
